Company Profile

ABOUT US EARTHOC ENERGY LIMITED

Earthoc Energy Limited is a premier oil and gas solutions company dedicated to delivering a comprehensive range of services to clients in the industry. **We are committed to upholding the highest standards of quality, safety, and customer satisfaction**, making us a trusted partner for organizations aiming to streamline operations and maximize efficiency.

At Earthoc Energy, our extensive network and strategic partnerships allow us to provide reliable and cost-effective solutions tailored to meet the diverse needs of our clients. **We pride ourselves on our ability to supply a broad spectrum of petroleum products, ensuring consistent and timely delivery to support your operational demands.**

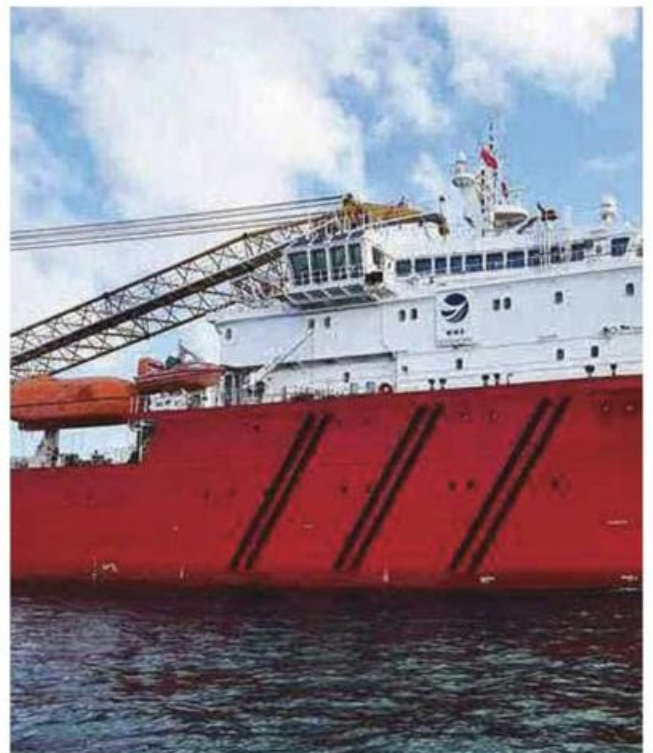

Our marine logistics and support services are designed to enhance both offshore and onshore operations. **By focusing on safety and efficiency, we optimize logistics, reduce downtime, and ensure smooth operational flow.** Our expertise in vessel management, supply chain management, equipment supply, and oil rig support positions us as a leader in the industry.

Additionally, our mechanical engineering services are essential to the seamless operation of your facilities. **We offer a wide range of mechanical installation and maintenance services, including valve maintenance, the setup and upkeep of industrial machinery, rotating equipment, HVAC systems, and pipelines.** Our team of skilled engineers ensures that all installations are performed to the highest standards, ensuring reliability and efficiency.

Overall, Earthoc Energy Limited stands as a reliable and trusted partner in the oil and gas industry. **Our wide range of high-quality services is designed to help organizations achieve their goals, improve operational efficiency, and maximize success.**

Core Values

At Earthoc Energy, we are guided by a set of core values that underpin everything we do. These include:

- 1. Safety:** We prioritize the safety of our employees, clients, and the environment in all aspects of our business.
- 2. Quality:** We are committed to delivering high-quality services and products that meet or exceed our clients' expectations.
- 3. Integrity:** We conduct ourselves with honesty, transparency, and ethical behavior in all our dealings.
- 4. Innovation:** We embrace innovation and continuously seek new and better ways to improve our services and products.
- 5. Collaboration:** We work collaboratively with our clients, partners, and stakeholders to achieve shared goals and mutual success.
- 6. Sustainability:** We are committed to sustainable practices and reducing our environmental impact, both in our own operations and in those of our clients.

Mission

At Earthoc Energy, our mission is to provide exceptional services to our clients in the oil and gas industry by leveraging our expertise, experience, and resources to deliver innovative solutions that meet their unique needs. We are committed to safety, quality, and sustainability, and we strive to create lasting value for our clients, employees, and stakeholders.

Vision

Our vision is to be a leading provider of oil and gas services globally, recognized for our excellence in delivering high-quality solutions that help our clients achieve their goals. We aim to grow our business through strategic partnerships, investments in technology and innovation, and a relentless focus on customer satisfaction.

OUR SERVICES: OVERVIEW

- **Marine Logistics and Support Services:** Earthoc Energy provides comprehensive marine logistics and support services, including: Vessel chartering, Offshore supply vessels, Crew transfer vessels, Tug and barge operations, Fuel bunkering, Ship Chandler services, Security Provision, Ship agency services.

Our logistics solutions ensure timely and efficient support for your offshore operations.

- **Mechanical Installation, Maintenance and Repair Services:** Our mechanical installation and maintenance services include: Installation of industrial machinery and equipment, Maintenance of rotating equipment (pumps, compressors, turbines), Pipeline installation and repair, HVAC systems installation and maintenance, Routine maintenance, Emergency repair services, Mechanical and electrical repairs, Valve maintenance.

We ensure that all installations meet the highest industry standards and operate efficiently.

- **Valve Maintenance Services:** Earthoc Energy offers specialized maintenance services for a variety of valves used in the oil and gas industry. Including: Valve wellheads, Butterfly valves, Needle valves, Orbit valves, Gate valves, Ball valves, Pressure Safety Valves (PSVs), ETC. Regular maintenance ensures optimal performance, safety, and longevity of your equipment.

OUR SERVICES: OVERVIEW

- **Auto Compressed Natural Gas Earthoc Conversion:** Energy proudly unveils our newest service—CNG (Compressed Natural Gas) conversion, designed to pave the way for a more sustainable energy future. With the global shift towards greener solutions, CNG offers a cleaner and more efficient alternative to traditional fuels. By converting to CNG, businesses and industries can significantly reduce carbon emissions, cut fuel costs, and contribute to a healthier environment. Our team of experts is equipped to provide seamless conversion services that enhance operational efficiency while prioritizing environmental responsibility.

By embracing CNG conversion, Earthoc Energy not only supports the immediate benefits of cost savings and reduced emissions but also aligns with global efforts to combat climate change. Our CNG solutions are tailored to meet the diverse needs of various sectors, offering a flexible, scalable energy option that enhances long-term sustainability. From fleet operators seeking more efficient fuel solutions to industries aiming to lower their environmental footprint, we provide customized conversion services that deliver lasting value. As leaders in the oil and gas sector, we recognize the importance of innovation in shaping the future of energy. This October, Earthoc Energy is committed to driving positive change by delivering reliable, cost-effective, and eco-friendly solutions through CNG conversion. Whether for transport, power generation, or industrial use, our cutting-edge technology ensures maximum performance with minimal impact on the planet. Together, let's fuel a sustainable tomorrow, one CNG conversion at a time.

OUR SERVICES: OVERVIEW

- **Heavy Duty Equipment Supply:**

We provide a wide range of heavy-duty equipment, including: Excavators, Cranes, Forklifts, Bulldozers, Loaders, Drilling equipment, Subsea equipment, Lifting and hoisting equipment, Power generation units, ETC. Our equipment is available for both short-term and long-term projects, ensuring you have the right tools for the job.

- **Bolt Tensioning Service:**

Our bolt tensioning services ensure the integrity and safety of your critical connections. We use advanced techniques and equipment to apply precise tension, preventing leaks and failures in high-pressure environments.

- **Manpower Supply:** Earthoc Energy supplies skilled manpower for various oil and gas operations. Our personnel include: Engineers, Technicians, Welders, Safety officers, Project managers, We ensure our staff are highly trained and certified to meet industry standards.

- **Advanced Industry Training Programs (EEAIT):** Our Earthoc Energy Advanced Industry Training (EEAIT) programs offer specialized training in: Health, Safety, and Environment (HSE) Levels 1, 2, 3. Advanced HSE, Non-Destructive Testing (NDT), Valve Maintenance and Installation, Firefighting and Prevention, Scaffolding, Rigging, First Aid & CPR, Irata Rope Access Training, Crane Operator Training, Forklift Operator Training, Excavator Operator Training, Truck Driving Training, Pipe Welding (SMAW), Argon Welding (TIG), Pipe Fitting.

OUR SERVICES: OVERVIEW

- **Onshore and Offshore Fabrication:**

Our fabrication services cater to both onshore and offshore requirements. We specialize in: Structural fabrication, Pipe spool fabrication, Skid packages, Modular construction. Our state-of-the-art facilities and experienced fabricators ensure top-quality results.

- **NDT (Non-Destructive Testing):**

Our NDT services help you ensure the integrity and reliability of your assets without causing damage. We offer: Ultrasonic Testing (UT), Radiographic Testing (RT), Magnetic Particle Testing (MT), Liquid Penetrant Testing (PT).

- **Rope Access Services:**

Our rope access services provide safe and efficient solutions for difficult-to-reach locations. Our certified technicians use advanced techniques to deliver high-quality results in a safe manner.

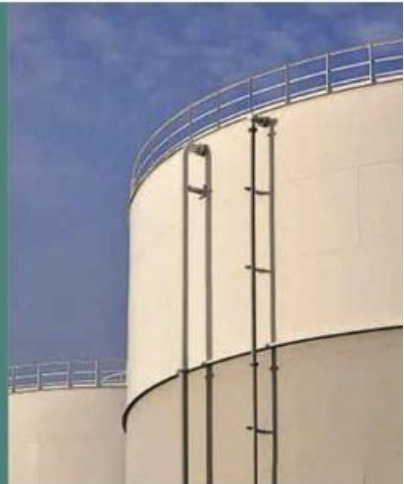

- **Supply of Petroleum Products:** We supply a wide range of petroleum products, ensuring reliable and timely delivery. Our products include: Automotive Gas Oil (AGO), Premium Motor Spirit (PMS), Liquefied Petroleum Gas (LPG), Jetfuels (Aviation Turbine Fuel), Compressed Natural Gas (CNG), Lubricants. We cater to various industries, providing high-quality fuels and lubricants to meet your needs.

- **Haulage:** We provide reliable haulage services for the transportation of goods and materials. Our fleet is equipped to handle: Bulk liquids, Heavy machinery, Construction materials, General cargo. We ensure timely delivery and safe handling of your cargo.

OUR SERVICES: OVERVIEW

- **Terminal Storage:** Earthoc Energy offers secure and efficient terminal storage solutions for petroleum products and other materials. Our facilities are designed to: Store large volumes of liquids, Ensure safety and environmental compliance, Facilitate easy access for loading and unloading. Our storage solutions help streamline your supply chain operations.

- **Procurement Services:** Earthoc Energy offers comprehensive procurement services to ensure that you have the necessary materials and equipment for your projects. Our services include: Sourcing high-quality materials and equipment, Vendor management and negotiations, Logistics and delivery coordination, Inventory management.

Our procurement team works closely with clients to meet their specific needs, ensuring timely and cost-effective solutions.

With Earthoc Energy Limited, you get a partner dedicated to delivering exceptional quality and innovative solutions across the oil and gas industry. Our commitment to safety, efficiency, and reliability sets us apart as a trusted provider of comprehensive energy solutions.

OUR SERVICES: OVERVIEW

Tank Calibration Services: We provide precise tank calibration services for storage tanks, ensuring accurate volume measurement and inventory control. Our solutions support regulatory compliance, minimize product loss, and enhance operational efficiency across petroleum and industrial storage facilities.

Solar Panel Installation Services:

We deliver end-to-end solar energy solutions, including system design, procurement, installation, and maintenance. Our solar installations are tailored to optimize energy efficiency, reduce operating costs, and provide reliable, sustainable power for residential, commercial, and industrial clients.

Thermal Desorption Unit (TDU):

Our Thermal Desorption Units are engineered to treat contaminated soil and drill cuttings by separating hydrocarbons from solids through controlled heating. This environmentally responsible solution enables resource recovery, reduces hazardous waste, and ensures compliance with environmental standards.

Waste Management System:

We offer integrated waste management solutions covering collection, treatment, recycling, and disposal. Our systems are designed to promote environmental sustainability, regulatory compliance, and operational efficiency for industrial, commercial, and municipal clients.

OUR TEAM

Earthoc Energy Limited has a dedicated and experienced team of professionals with a broad range of expertise in the oil and gas industry. Our team includes engineers, project managers, technical specialists, and support staff, who are all committed to delivering high-quality services to our clients.

Our team members have a deep understanding of the oil and gas industry, including the technical, regulatory, and business aspects of the sector. They bring a wealth of experience and knowledge to each project, and are equipped to handle complex challenges and deliver innovative solutions.

At Earthoc Energy, we place a strong emphasis on safety, quality, and customer service. Our team members are trained to prioritize safety at all times, and to adhere to the highest quality standards in their work. They are also committed to delivering exceptional customer service, and work closely with clients to ensure that their needs and expectations are met or exceeded.

We believe that our team is our greatest asset, and we are dedicated to providing ongoing training and development opportunities to support their growth and professional development. This commitment to our team enables us to deliver the highest quality services to our clients, and to continuously improve our capabilities and expertise.

Our Strategy

Earthoc Energy's strategy is to provide high-quality, innovative, and cost-effective services to the oil and gas industry. We strive to be a reliable partner to our clients, and to help them achieve their objectives safely and efficiently. Our strategy is centered on four key pillars: safety, quality, efficiency, and sustainability.

By prioritizing these areas, we are able to deliver superior value to our clients while minimizing risks and ensuring compliance with regulatory requirements.

Key Strength

One of Earthoc Energy's key strengths is our team of experienced and dedicated professionals. Our team members bring a wealth of expertise and knowledge to each project, and are committed to delivering high-quality services to our clients.

Additionally, our extensive network of partners and suppliers enables us to access the latest technologies and best practices in the industry, allowing us to continuously improve and innovate our services.

Health, Safety, Environment, and Security Policies:

At Earthoc Energy, we place a strong emphasis on Health, Safety, Environment, and Security (HSES) in all aspects of our operations. Our HSES policies are designed to protect our employees, clients, the environment, and the communities in which we operate. We comply with all applicable laws and regulations, and continuously strive to improve our HSES performance through ongoing training, audits, and reviews.

Management System:

Earthoc Energy has a comprehensive management system in place to ensure that our services are delivered safely, efficiently, and effectively. Our management system includes policies, procedures, and processes for all aspects of our operations, including project management, HSES, quality control, and financial management. We regularly review and update our management system to ensure that it is aligned with industry best practices and meets the needs of our clients.

Community Service:

At Earthoc Energy, we are committed to making a positive impact in the communities in which we operate. We believe that it is our responsibility to give back to these communities by supporting local initiatives and organizations. We engage with community stakeholders to understand their needs and priorities, and to identify opportunities to provide support and assistance. Our community service initiatives include donations to local charities, volunteering at community events, and supporting local education and training programs.

PARTNERS

Earthoc Energy has established partnerships with leading companies in the oil and gas industry to enhance our capabilities and provide our clients with a comprehensive range of services. Our partners include equipment manufacturers, suppliers, and service providers, who share our commitment to quality, safety, and sustainability. Through these partnerships, we are able to access the latest technologies and expertise in the industry, and to continuously improve and innovate our services. We value our partnerships and work closely with our partners to ensure that we meet the needs and expectations of our clients.

Earthoc Energy is a leading oil and gas servicing company that offers a comprehensive range of services to the industry. With a team of highly skilled and experienced professionals, we are committed to delivering innovative solutions that meet the specific needs of our clients. We offer upstream, midstream, and downstream services, as well as civil engineering, fabrication, and maintenance services. Our facilities and equipment are state-of-the-art, and we have established partnerships with leading companies in the industry to enhance our capabilities and continuously improve our services. We are committed to the highest standards of safety, quality, and sustainability, and we work closely with our partners to ensure that we meet the needs and expectations of our clients. At Earthoc Energy, we are dedicated to providing exceptional services that enable our clients to achieve their objectives and succeed in the ever-evolving oil and gas industry.
